

General English (GEN1) Plus English for Architecture with TOEIC Examination

Overview: Our Intensive Course (GEN1) focuses on improving students' fluency and accuracy in English and is designed to provide a thorough knowledge of general English at all levels. The Intensive course covers the four basic skills of listening, speaking, reading and writing and is designed to improve communication in spoken and written English. Students will be placed in international classes according to their level.

The afternoon modules will be held in a closed group and will focus on English for Architecture. These lessons will focus specifically on developing language skills within the context of the field of architecture. A minimum number of 6 students will be required to run the afternoon modules.

Tuition Hours: **20 x 60 minute group lessons** = 20 hours' group tuition **per week** + **6 x 60 minute group lessons** = 6 hours small group tuition **per week** focusing on English for Architects.
